Brides

Are always "beautiful" and always "happy" according to the society reporters, and in this case the report is mostly true. There may be unhappy brides in fiction, but there are few in real life. But how hard it is to look upon many of the wives we know and believe that they were once beautiful and happy. Pain, the result of womanly diseases, has marred beauty and undermined happiness. Beauty and happiness are both restored to the sufferers from womanly diseases by the use of Dr. Pierce's Favorite Prescription. It cures the pain-producing inflammation of the female system, regularity, drying weakening drains, healing inflammation and ulceration, and curing female weakness. It restores roundness to the shrunken cheeks and plumpness to the shrunken body.

"I have thought for some time I would write you and tell you of the great improvement in my health since taking your 'Favorite Prescription,'" says Mrs. M. E. Jones, of Detroit, Mich. "When I began to use it, I was a nervous wreck and had despaired of ever having any health again. Could not sit up at night, and was so weak I could not walk one quarter of a mile. I noted a great improvement in my health before the first bottle was used. The suffering with almost every pain that a woman is subject to: had inflammation of ovaries, painful and suppressed periods, and other symptoms of female disease. After taking six bottles of 'Favorite Prescription,' I felt like a new person. Can ride horseback and take all kinds of exercise and feel fine."

If you are led to the purchase of "Favorite Prescription" because of its remarkable cures of other women, do not accept a substitute which has none of these cures to its credit.

If you are looking for a perfect laxative try Dr. Pierce's Pleasant Pellets.

DESTRUCTIVE STORMS.

Indiana was storm-swept yesterday.

Three lives were lost and more than \$1,000,000 damage was done to property.

The worst destruction was in the gas belt. Six factories at Kokomo were partially wrecked, scores of buildings were blown from their foundations and partially destroyed, and the city on a passenger engine was blown away while the train was at full speed.

The loss in Kokomo is estimated at \$100,000. At Alexandria four smokestacks were blown down, killing W. S. Gray, a machinist. Between there and Anderson much damage was done to the traction lines. Willie Black, aged ten, was killed at Converse, and Langford Stephenson, a farmer at Logansport, was killed by lightning. In the northern part of the State there was heavy wind and hail. At South Bend, Columbia City, and Churubusco great damage was done to wires, buildings, and trees. Columbia City, eleven miles from Indianapolis, reports a heavy storm in that direction. Indianapolis suffered damage to shade trees. Heavy hail fell. Evansville and other southern Indiana cities were visited by high winds, with damage to trees, lights, and buildings. The storm at Fort Wayne yesterday afternoon assumed the proportions of a tornado and was accompanied by a fall of hail that damaged crops. Faira buildings, wind mills and trees were blown down. Ira Dixon, a railroad section hand, was crushed to death under a falling tree.

Northwestern Ohio was visited by one of the worst storms in its history at about 4 o'clock yesterday afternoon. The damage done in Toledo is estimated at \$100,000 while reports from all portions of northwestern Ohio indicate that great damage was done throughout the country, and especially in the oil fields of Wood, Hancock, and Sandusky counties, south of Toledo. Three men were seriously injured. A dispatch from Cleveland says high winds, blowing from 40 to 50 miles an hour, attended by unusually heavy rains and hail, blew down telephone and telegraph wires, and did considerable other damage at various points in northern Ohio yesterday.

When wire communications with interior towns was opened up at Des Moines, Iowa, yesterday it became apparent that Tuesday's tornado caused far greater loss than was first reported. Several people are reported killed and a number injured.

The casualties resulting from Tuesday's tornado in St. Elmo, Mo., are placed at eighteen, with one man missing.

MURDER AND SUICIDE.

Solomon Horn, of Brooklyn, shot and instantly killed himself yesterday afternoon after shooting and probably mortally wounding his cousin and employer, Elias Reis, in a shirt factory of which the latter was superintendent.

The shooting and suicide followed the refusal of Reis to give his cousin, an employee, an increased salary. Horn made this request for more pay Saturday and was refused. Since then he had been menacing in his attitude toward Reis, and somewhat strange in his manner, as if he were temporarily deranged. Yesterday he hid himself in the turn of the stairway leading from the first to the second floor of the Monroe street building. The factory occupies the upper four floors, but the two lower floors are vacant. He waited in the darkness at the turn of the stairs for Reis to come in from a late lunch. As Reis passed him Horn shot him in the back. Reis turned and ran screaming down the stairs to the ground floor. As he was halfway down Horn shot him again through the right shoulder. Then Horn rushed down stairs and looked at Reis as he lay unconscious where he had fallen. Believing that his employer was dead, he shot himself through the head, filling his instantaneously. He fell across the body of Reis, with his head lying on the latter's breast. The noise of the three shots and the shouts of Reis as he fled down the stairs wounded roused the 400 girl employees in the building to a state of frenzied excitement. One of them on the upper floor made a bolt for the door and in a moment all of them were fighting in a panic-stricken rush down the stairway. As the first of them reached the stairway leading from the first to the ground floor they saw the foot of the stairs. With screams of increased terror they sought to hold back against the crowds piling down behind them. For a moment they were able to hold them, and then those behind swept them before them and dashed into the street. Some stumbled, others leaped over the blood-spattered bodies. Many of the girls were injured in the rush and others had their clothes ruined. Several fainted from excitement.

Dr. Witt's Little Early Risers are the famous little pills the bowels gently, yet effectively, and giving such tone and strength to the glands of the stomach and liver that the cause of the trouble is removed entirely, and if their use is continued for a few days, there will be no return of the complaint. Sold by E. S. Leadbeater & Sons.

MRS. IDA McDONALD,

Supreme Deputy of the Maccabees of the World.

MRS. McDONALD, No. 477 Beaubien Street, Detroit, Mich., is a prominent woman who was greatly benefited by the great woman's medicine, Wine of Cardui. Mrs. McDonald is the supreme deputy of the Maccabees of the World, and one of the most widely known women in the United States. Thousands of women gather to hear her lecture everywhere she goes. The great work she has done for the Maccabees is appreciated by every member of the order. She was so absorbed in her work that she neglected to give her health proper care—failed to take warning that the symptoms of approaching kidney trouble gave her, the yellow complexion and torpid liver. But Wine of Cardui cured her the same as it has cured thousands of others and Mrs. McDonald has written this letter in order that other suffering women may secure from Wine of Cardui the same relief she got from it.

"For four years I suffered with torpid liver until my skin looked yellow and dull. I then found my kidneys were affected and had severe pains across my back, and I felt

that I must do something to regain my health. A friend advocated my Wine of Cardui treatment so strongly that I decided to try it, although I had little faith in patent medicines. I am now very thankful that I did so, for within ten days blessed relief came to me, and in less than three months I was cured, and have enjoyed fine health ever since. I know there is nothing better for a sick woman who wishes to enjoy perfect health and am very pleased to give my hearty endorsement."

No suffering woman can afford to ignore such a letter as Mrs. McDonald writes. Her plans and advice have proved valuable in building up one of the greatest woman's organizations in the United States and she takes time to give advice which she knows will help you.

Do not delay in securing this medicine. There is nothing to gain and everything to lose by delay. The choice is before you. Will you or will you not secure relief now by taking Wine of Cardui? All druggists sell \$1.00 bottles of Wine of Cardui as well as 25c packages of Theodor's Black-Drainage.

A million suffering women have found relief in Wine of Cardui.

THE FOOL AND HIS MONEY.—A certain fellow who answered advertisements in cheap story papers has had some interesting experiences. He learned that by sending \$1 to a Yankee he could get a cure for drunkenness. And he did. It was to "take the pledge and keep it."

Then he sent 50 two-cent stamps to find out how to raise turkeys successfully. He found out—"Just take hold of the coop and pull."

Being young, he wished to marry, and sent 34 one-cent stamps to a Chicago firm for information as to how to make an impression. When the answer came it read: "Sit down on a pan of dough." It was a little rough, but he was a patient man and thought he would try success.

The next advertisement he answered read: "How to double your money in six months." He was told to convert his money into bills, fold them and he would see his money doubled.

Next he sent 12 useful household articles and he got a package of needles.

He was slow to learn, so he sent \$1 to find out "how to get rich." "Work like the devil and never spend a cent," and that stopped him.

But his brother went to find out how to write without pen or ink. He was told to use a lead pencil.

He paid \$1 to learn how to live without work and was told on a postal card, "Fish for suckers, as we do."—London (Ky.) Echo.

Mr. Joseph Pomerville, of Stillwater, Minn., after having spent over \$2,000 with the best doctors for stomach trouble, without relief, was advised by his druggist Mr. Alex. Richard, to try a box of Chamberlain's Stomach and Liver Tablets. He did so, and is a well man today. If troubled with indigestion, bad taste in the mouth, lack of appetite or constipation, give these Tablets a trial, and you are certain to be more than pleased with the result. For sale at 25 cents per box by Richard Gibson.

Bad blood and indigestion are deadly enemies to good health. Burdock Blood Bitters destroys them.
